

RV, Boat and Auto Show to make a 'splash'

The first annual RV, Boat and Auto Show will make a big 'splash' in Antioch May 23-25. The show, being sponsored by the Antioch Chamber of Commerce and Industry will be held in the municipal parking lot, behind the village hall.

The show will run noon to 9 p.m. May 23; 11 a.m. to 9 p.m. May 24 and 9 a.m. to 4:30 p.m. May 25.

A meeting held, involving all participating

dealers, was a success and the enthusiasm shown by all participants was a sign of a smooth-sailing three days.

Entertainment, to feature Ernie Levas, was decided upon, along with the 'local talent' being gathered for a talent show to keep the crowds smiling. Anyone interested in performing may come to the chamber office at 882 Main St. and unmask their talents.

"It's the biggest thing that's happened in

this area in a long time," said Vince Giorgi, the chamber's No. 1 public relations man.

Giorgi has designed T-shirts, banners, buttons and even a stage for the talent show, in honor of this first annual event.

The three days will involve many area dealers displaying their finest including; Raymond Chevrolet-Oldsmobile, Lyons and Ryan Ford, Pittman Pontiac, Pedersen GMC, Hucker and Sons Chrysler, Hidden

Cove, Sequoit Harbor, Fox Lake Harbor, and the Fun-in-Sun Marine All Season's RV and Countryside RV.

A concession stand will be available, selling hotdogs, chips and soft drinks to all of the hungry show-goers.

The co-chairman of the show is Retail Chairman Larry Hanson.

For more information call the chamber office at 395-2233.

Village votes on tax abatement

by LEE ANN MACKULIN

Antioch village trustees unanimously voted on a tax abatement at the May 6 board meeting. The vote means that the money will "be given back to the people," instead of donating interest money to the jail fund, an option provided by the Lake County treasurer's office, said Village Clerk Marylin Sterbenz.

The abatement funds will come from the time taxpayers pay their taxes to the time when the money is distributed in the taxing districts. The decision means that each property owner will receive proportionate decreases on their 1985 taxing district.

"It'll be a small amount for a small village," said Sterbenz.

The option of giving money to the Lake County jail fund is a result of a new state law passed in 1984.

The meeting also saw Mayor Raymond Toft, Village Clerk Marylin Sterbenz and trustees Ronald Cunningham, Vern Barnstable and Rodney White being sworn in to serve another term.

Toft's granddaughter, Heidi Lynn Soder, was on hand to watch 'grandpa' take his oath. The mayor was presented a gavel and a

gold bar with the inscription "No. 1 Mayor".

In other village news, William Carney was appointed to take Wayne Solonen's place on the planning commission and Lyle Wilson was named chairman of the commission. Wilson was named commission chairman and is "a good choice for chairman," said Toft.

Al Little was appointed to the zoning board and more appointments will be announced at the meeting May 20.

Prom lifts off on May 17 from shaky ground

by LEE ANN MACKULIN

After much confusion, students at Antioch Community High School can finally look forward to their prom, May 17.

Originally scheduled for May 4 at the Abbey in Fontana, the big event was cancelled due to an error in the restaurant's booking, according to prom committee chairman William Goetzelman. The International Rotary Club had a two-year advanced booking for the entire weekend.

"We must have made 30 calls and there was no place available for any Saturday in May," said Goetzelman.

"Art Blecke called the school attorney and found out because of the written agreement (with the Abbey) we could have taken them to court. By the time we would have gone to court prom would have been over...we wouldn't have had a prom," he said.

After some deliberation, the Abbey offered

ACHS the same banquet room for May 17, with a complimentary coke bar and 'snacks' (throughout the night (\$300 value)).

"They've agreed to provide a first-class meal," he said.

"Last year it was held at the Illinois Beach State Park which was very cramped. The (Abbey's) dining hall is just gorgeous. This will be very spacious," said Goetzelman.

The changing of weekends caused inconvenience for many students and faculty, he said. One student had a family trip to Germany planned and had to cancel out, said Goetzelman.

When asked about the distance the students would be driving, he said "I don't think it's any farther than the years before. The highways are four-lane all the way and are very safe."

They promise to give us a spectacular show, I think that's all we can ask," said Goetzelman.

Antioch Masons treat kids to trip

The Sequoit Lodge No. 827 AF&AM Antioch, is underwriting the entire cost of sending handicapped students from the Sally Potter School to Springfield for a two-day junior high school graduation trip.

The school, located in Mundelein, serves Lake County area victims of cerebral palsy, muscular dystrophy, accidents and

spina bifida. All of the children are in wheelchairs and special busses will be needed to transport them to Springfield.

The school and students are not totally dependent on governmental agencies and are not funded by any group. Thus, the children had to raise funds for the trip themselves by can recycling, cake raffles, candy sales

THINK OF THEM AS BIG BROTHERS FOR YOUR KIDS.

It's sad. We can't take it for granted anymore that our children will make it to school, or the store, or the movies, and back. We can't be sure it's safe for them to play in the park, or the schoolyard, or even the front yard, alone.

Until we can again, until they're finally out of danger, we're turning every Edison employee into family. To give kids in trouble or lost someone to turn to, someone who cares, when there's no police officer close by.

It's not a solution to the problem by any means, but it's a start. A team effort that all of us at Commonwealth Edison take very seriously. Especially the hundreds of crews we have working out on the streets.

Your kids can spot our trucks a long way off. When they see that big E in our logo, or the E-team emblem, they'll know they're among friends.

Please, tell 'em to look for us.

Maris receives award for 'Today's Woman'

Angela Maris, marketing director of Hawthorn Center and a member of the Antioch Women's Club, received an award for 'Today's Woman' professional service. Katie Paul of Zion Woman's Club and WKZN was also awarded. They were recognized at the tenth district Spring meeting of the General Federation of Women's Club.

"I am very honored to accept this award of Today's Woman In Business and Profession on behalf of my husband and family, Helen Dewitt, vice-president of UIDC Management; my boss, who gave me the opportunity ten years ago to market Hawthorn Center, the judges who selected my

entry but most of all Phyllis McMillen, Lillie Petty and all the women of the Antioch Women's Club who created the mosaic of me. Many of you, too numerous to mention, have had an in-

fluence on my life the past 25 years. I am deeply honored to accept this award on behalf of all of you," said Maris.

Today's Woman is a new GFWC-IFWC program

whose purpose is to recognize the importance of today's women in relation to GFWC-IFWC with special emphasis on outstanding women in community service. Arts, business and the

professions, labor, education, science and sports. These outstanding women provide positive role models that will inspire other women to promote excellence for all women.

The state winners will be announced at the state convention in Peoria and the national awards will be presented in June at the National Convention in Texas.

Teen Center Sizzles

The Antioch Teen Center (ACT-4) will see area teens through many a hot summer night as they have decided to stay open through the summer.

The center is open from 7:30-11 p.m. every Friday at the VFW on North Avenue. It provides DJ music, for dancing, ping pong, bumper pool and refreshments.

Specials for May and June are, Neon Night May 17, International Night, May 24, Junior Night May 31 and 50's night June 7. The special class nights are underwritten by a sponsor and those students can enter free of charge.

Neon Night will also be host to all students who attend the Teen Canteen (seventh and eighth graders). The International Night will feature attendance by 18 Rotary Exchange Students representing 11 different countries.

Past special events have been supported by Foods Unlimited, BJ's Fashions For Men, Hahns Jewelers and the Advertiser. For the successful Hawaiian Night, the limbo costume contest prizes were furnished by Johnson Jewelers.

ACHS presents concert

The Fine Arts Dept. of Antioch High School proudly presents the Spring Choral Concert to be held 7:30 p.m. May 16 in the school auditorium.

The concert brings to an end a very busy year for the choir. They presented three concerts, participated in the North Suburban Choral Festival and have toured the grade schools.

Featured in the evening performances will be solos by Wendy Fabry and Tabara Ray. We are also featuring choir soloist Mike Ocweija performing "Open Our Eyes", Clare Gilliland and Christi Mueller in "O Divine Redemer", and Dina Byrd in "Turn Back O Man."

Participating choral groups are Freshman Girls' Chorus, Concert Choir, A-Cappella Choir and the Madrigal Singers.
